Overview

The "Guide" includes all representations, warranties, covenants, requirements and obligations of the Broker set forth herein and in any other documents or agreements entered into from time to time by and between the Broker and Hometown Equity Mortgage, LLC ("meMortgage") regarding the subject matter hereof, all of which are in addition to, and not in place of, any of the Broker's obligations contained in the Mortgage Loan Broker Agreement (the "Agreement").

Application and Funding

Application Package

Broker may register an Application Package with meMortgage in such manner as meMortgage may from time to time determine. Broker shall furnish to meMortgage, at Broker's sole expense, such documentation on forms provided by meMortgage or in a format generally accepted in the industry and approved by meMortgage, including, but not limited to, credit, financials, appraisals, and other information concerning Borrower(s) that meMortgage may require in determining when and if to accept, approve or fund the Loan(s). Broker shall also perform other reasonable services as meMortgage shall require in connection with closing any Loan(s).

Funding

Each Loan subject to the Guide shall close with meMortgage's funds in meMortgage's name. No Loan may be Table Funded.

No Obligation to Fund

meMortgage is under no obligation to underwrite, approve or fund any Loan registered by Broker. meMortgage shall have no liability to Broker for any refusal or failure to underwrite, approve or fund any Loan. It is the intention of Broker and meMortgage that meMortgage be entitled to rely on Broker's representations, warranties and covenants without regard to any act or omission of meMortgage, and no underwriting, review, closing, auditing, knowledge, or other involvement or opportunity by meMortgage with respect to the Loan shall affect in any way either the representations, warranties and covenants made by Broker to meMortgage or the responsibilities and obligations of Broker to meMortgage hereunder.

Compensation

Broker Compensation shall be paid as provided in the Guide, which is subject to change without notice at any time in meMortgage's sole discretion. All expenses incurred by Broker in connection with the Broker's obligations or pursuant to services performed under the Agreement or the Guide will be the sole responsibility of Broker and Broker will perform such services using its own employees.

Broker has in place written compensation plans for each of its loan originator employees in compliance with applicable laws and regulations, including, but not limited to, the originator compensation rules found in Regulation Z, implementing the federal Truth-in-Lending Act, and in accordance with the terms and conditions of this Guide.

General Warranties

Broker represents, warrants and covenants to meMortgage, as of (a) the Submission Date, (b) the time a Loan is closed and funded through the life of such Loan, and (c) any other time as indicated or as the context may require, that the Representations, Warranties and Covenants below are true and correct:

Ownership; Prior Involvement

Broker has no direct or indirect ownership interest in any property acting as security for the Loan, or affiliation or relationship with any other party having a financial interest in the Loan or the Loan transaction. To the extent Broker or any of its owners, officers, partners, agents or employees has (a) participated in the sale, financing or mortgage origination with respect to the property securing the Loan or (b) assisted a Borrower with obtaining prior financing, whether with respect to the property securing the Loan or otherwise, Broker shall disclose the nature and extent of such relationship in writing to meMortgage at the time of the submission of the relevant Application Package.

Services to Borrower

With respect to each Borrower whose Application Package has been submitted by Broker to meMortgage for funding consideration pursuant to the Agreement, Broker has observed and shall observe and fully discharge any fiduciary or other duties owed by Broker to Borrower under applicable law and under this Guide. In particular, and without limitation to the foregoing, whenever required by such duty, Broker, its employees and/or agents have provided to Borrower any and all requisite disclosures and obtained any and all requisite agreements or authorizations. Broker represents that all services performed by Broker were performed in accordance with accepted and customary standards in the mortgage lending industry. Broker is not aware of any dispute or claim by any Borrower that all such services were not fully and satisfactorily performed. Broker has not coerced or compelled Borrower to accept any Loan or to take any advance pursuant to any Loan. Broker has submitted to Borrower for Borrower's consideration products from multiple lenders (other than meMortgage) and the total compensation to Broker from each of these lenders (including meMortgage) in no way influenced the Borrower's or Broker's decision to submit the application to meMortgage.

Any fees (and the amount of such fees) imposed by Broker upon Borrower have been determined by negotiations between Borrower and Broker. The total fees to be received by Broker have been separately itemized and fully disclosed to Borrower and are reasonably related to the market value of the services rendered by Broker in connection with the Loan. Broker further agrees that Borrower shall not be charged any additional amounts over the fees actually paid to third parties, including but not limited to credit reporting agencies, pest inspection companies, and real estate appraisers.

Specific Representations, Warranties and Covenants as to Loans

Broker represents, warrants and covenants to meMortgage, as of (a) the time any Application Package is submitted to meMortgage, (b) the time a Loan is closed and funded through the life of such Loan, and (c) any other time as indicated or as the context may require, that the Representations, Warranties and Covenants below are true and correct:

Unacceptable Investment

Each Loan, including the Application Package, conforms to the specifications, terms, conditions and requirements set forth in this Guide and the Agreement. Broker does not know of any circumstances or conditions with respect to the Mortgage, the Mortgaged Property, the Borrower, the Mortgagor or the Borrower's or Mortgagor's credit standing that could be reasonably expected to cause: (a) meMortgage not to make the Loan; (b) private institutional investors or other investors to regard the Loan as an unacceptable investment; or (c) the Loan to become delinquent or any other circumstance or condition that could adversely affect the value or marketability of the Loan. Broker shall promptly disclose to meMortgage any information that reasonably could be expected to be a consideration in meMortgage's decision to close a Loan including, without limitation, discrepancies between information provided by the Loan applicant and that obtained from other sources, factors bearing on the physical condition of the security property and any irregularities involving the purchase transaction covering the security property or the relationship or involvement of any brokers or escrow depositories in connection therewith.

Enforceability of Loan

The Loan is not subject to any extended right of rescission, set-off, counterclaim or defense, nor will the operation of any of the terms of the Mortgage Note or the Mortgage, or the exercise of any right thereunder, render either the Mortgage Note or the Mortgage unenforceable, in whole or in part, or subject to any extended right of rescission, set-off, counterclaim or defense, including the defense of usury, as a result of any act, error or omission of Broker or of any other person, other than meMortgage.

Payments and Advances

The Broker has not, and no person has, advanced any funds for and/or on behalf of a Mortgagor for the purpose of enabling the Mortgagor to make any required payments of principal or interest on the Loan, or any tax, insurance, special assessment, sewer, utility or similar payments with respect to the property securing the Loan, and no subordinate financing was used in the Mortgagor's acquisition of the property securing the Loan other than subordinate financing acceptable to meMortgage, Fannie Mae, Freddie Mac, GNMA, FHA, VA, or USDA or other Investor pursuant to their requirements in effect at the time of purchase of the Loan by meMortgage. The Borrower or Mortgagor has made any down payment required in connection with the Loan, and has received no concession from Broker or any other third person, except as clearly disclosed in writing to meMortgage, and in accordance with allowable limits as set forth in or contemplated by the Guide.

Regulatory Compliance

Approvals

Broker and each person employed by or affiliated with Broker that is required to be licensed, approved or registered, has obtained and shall maintain in full force and effect, without material impairment, suspension or revocation, all federal and state governmental approvals, registrations, qualifications, permits and licenses necessary both to perform its obligations hereunder and, if applicable, to conduct origination functions for FHA, USDA or VA loans on meMortgage's behalf. Broker has complied with all of the requirements of the applicable insuring or guaranteeing agency for FHA, USDA or VA loans.

Broker is a duly organized and validly existing entity in good standing under applicable laws of its state of formation/organization and is properly licensed and registered in such state or other states in which it is engaged in the business of originating mortgage loans. Broker has the requisite authority and capacity to enter into the Agreement and the Agreement has been duly authorized, executed and delivered by Broker and constitutes a valid and binding obligation of Broker, enforceable in accordance with its terms. Broker's compliance with the terms and conditions of the Agreement will not violate any provisions of its charter documents, any instrument relating to the conduct of its business, or any other agreement, law or regulation to which it may be a party or under which it may be governed.

Broker possesses all necessary licenses, permits, and authority to execute and deliver this Agreement and to engage in the activities contemplated by this Agreement, and Broker is in full compliance in all respects, and in good standing, with all regulatory and supervisory agencies having jurisdiction over Broker. Broker shall maintain all licenses and approvals with respect to the foregoing and keep itself in good standing with all applicable agencies and regulatory or supervisory organizations. Broker represents that it employs or will employ a sufficient number of knowledgeable and capable individuals to perform the services required by the Agreement and the Guide.

No Conflicts

Neither the Guide, nor any of the transactions contemplated thereby nor the fulfillment of the terms and conditions thereof will conflict with or result in a breach of any of the terms, conditions or provisions of the Broker's articles of incorporation, certificate of formation, charter, by-laws, partnership agreement, operating agreement or other organizational documents (as the case may be), or of any legal restrictions or regulatory directive or any agreement to which Broker is now a party or by which it is bound, or constitute a default or result in any acceleration under any of the foregoing, or result in the violation of any law, rule, regulation, order, judgment, or decree to which Broker or any of its property is subject, or impair the value of any of the Loans.

Ability to Perform

Broker has the ability to perform each and every obligation of, and/or satisfy each and every requirement imposed on Broker pursuant to the Guide, and no offset, counterclaim or defense exists to the full performance by Broker of the requirements thereunder.

No Litigation

There is no action, suit, proceeding, inquiry, review, audit or investigation pending or threatened by or against Broker that, either in any one instance or in the aggregate, may result in any material adverse change in the business, operations, financial condition, properties or assets of Broker, or in any material liability on the part of Broker, or which would draw into question the validity or enforceability of the Guide or the Loans, or of any action taken or to be taken in connection with the obligations of Broker contemplated in the Agreement, or which would be likely to materially impair the ability of Broker to perform under the terms of the Agreement.

No Consent Required

No consent, approval, authority or order of any court or governmental agency or body is required for the execution and performance by Broker of, or compliance by Broker with, the Agreement, the sale of any of the Loans, or the consummation of any of the transactions contemplated by the Guide.

Exclusionary Lists

The Broker represents and warrants that no person or entity listed on the Freddie Mac Exclusionary List, the U.S. General Service Administration's (GSA) Excluded Party List, or the HUD Limited Denial of Participation List (LDP) is employed by the Broker and/or played a role in the origination or delivery of a Mortgage to meMortgage, or in the underlying real estate transaction. The Broker acknowledges that prohibited roles include, without limitation: (a) Borrowers, trustees on the deed, builders, developers, property sellers, loan officers, loan processors, underwriters, Mortgage Brokers, Mortgage Service Providers, appraisers, title insurers, real estate brokers and agents, and closing or settlement agents and (b) Broker's owners, management and employees. Furthermore, the Broker represents and warrants that it will maintain sufficient processes and controls to meet this warranty obligation. Further, Broker understands and acknowledges that meMortgage may not fund a Loan if meMortgage determines that any person or entity acting in any of the above listed roles is listed on an exclusionary list.

High Cost Loans

None of the Loans submitted by Broker qualify as a "High Cost Loan", "Section 32" loan or are in any other way considered predatory loans under applicable federal, state or local law.

No Predatory Lending

No predatory or deceptive lending practices, including, but not limited to, the extension of credit without regard for the Mortgagor's ability to repay the Loan, and/or the extension of credit which has no apparent benefit to the Mortgagor, were employed in connection with the Loan application. Each Loan application is in compliance with the anti-predatory lending eligibility requirements of the Guide and all such requirements found in federal, state and local law and all applicable Agency or Investor rules and regulations.

Other Insurance Policies

No action, inaction or event has occurred and no state of facts exists or has existed that has resulted or will result in the exclusion from, denial of, or defense to coverage under any applicable special hazard insurance policy, PMI Policy or bankruptcy bond, irrespective of the cause of the foregoing. In connection with the placement of any such insurance, no commission, fee, or other compensation has been or will be received by Broker or by any officer, director, or employee of Broker or any designee of Broker or any entity in which Broker or any officer, director, or employee had a financial interest at the time of placement of such insurance.

Damage; Condemnation

Broker warrants that at the time of closing and funding of the Loan, the property securing the Loan is free of damage, waste and environmental hazards; the property and its improvements are not in violation of any applicable zoning law or regulation, and there is no proceeding pending for the total or partial condemnation thereof, unless such issue(s) is being addressed with a Repair Set Aside Account (also known as an "Escrow Holdback") specifically approved by meMortgage.

Closing

Each Loan to a Mortgagor and the related Note has been closed by a Closing Agent on meMortgage's approved list of Closing Agents at the time of the closing. No Closing Agent is an agent or affiliate of Broker unless such agency, affiliation or other similar relationship has been expressly approved in writing by meMortgage. All Loans will be on forms acceptable to meMortgage and closed, if applicable, in accordance with the terms and conditions set forth herein,

specifically including, but not limited to, meMortgage's closing instructions, by closing agents that maintain errors and omissions insurance policies reasonably acceptable to Broker and sufficient to indemnify Broker and its assigns against losses due to the closing agent's negligence, misconduct and/or failure to follow written closing instructions. Each Closing Agent has fully disbursed all proceeds in accordance with the related Closing Disclosure and closing instructions. At meMortgage's request, Broker agrees to provide to meMortgage a copy of Broker's approved list of Closing Agents at the beginning of each calendar quarter.

Disbursement

Other than with respect to any disbursements by meMortgage, all costs, fees and expenses incurred in making and closing the Loans were paid to the appropriate parties. No Borrower is entitled to any refund of any amounts paid or due to meMortgage pursuant to any Loan transaction. The Closing Agent shall disburse all related funds in compliance with Good Funds and Wet Settlement requirements in states which require the same.

Application Package and Genuineness of Documents

The Application Package contains each of the documents and instruments required by the Guide, Applicable Requirements, or Agency, Investor or Insurer requirements, duly executed and in due and proper form and each such document or instrument is genuine and in a form acceptable to Agencies, Investors and Insurers and the information contained therein is true, accurate and complete. The Loan was originated in accordance with the Guide and applicable Agency, Investor and Insurer underwriting standards in effect at the time the Loan was originated.

No Third Party Originations (TPO)

Each Application Package must be originated and processed by Broker and not a third party as defined herein; despite this general prohibition, however, Broker may use third party loan processors provided that by using such third party loan processors Broker agrees that Broker shall have sole and exclusive responsibility for the work product of such third party loan processors. Broker agrees to conduct a face-to-face interview with applicant(s), unless otherwise permitted by Fannie Mae, Freddie Mac, FHA, VA USDA and/or GNMA, as appropriate.

No Fraud; No Omissions

No fraud was committed in connection with the origination of the Loan. No action, error, omission, misrepresentation, negligence, fraud or similar occurrence with respect to the Loan has taken place on the part of any person, including, without limitation, the Mortgagor, any appraiser (unless the appraisal was ordered by meMortgage, in which case the Broker makes this representation as to the appraiser only to the best of Broker's knowledge), any builder or developer or insurer or any party involved in the origination of the Loan, or in the application for any insurance relating to such Loan that might result in a denial, failure or impairment of full and timely coverage under any insurance policies required to be obtained or any pool insurance policy covering the Loan. The documents, instruments and agreements contained in the Application Package, Loan File, or in any way relating to the Loan, or any other documents submitted to meMortgage are in every respect valid and genuine, comply with industry standards, were not falsified and contain no untrue statement of fact or omit to state a material fact.

Broker and meMortgage agree that meMortgage may conclusively rely on all information, documents, and reports contained in the Application Package supplied to it and submitted by Broker and the authenticity and accuracy contained therein. meMortgage's failure to conduct an independent investigation with respect to the Application Package or Loan File shall not affect or modify the representations, warranties or covenants made by Broker and other duties of Broker

or the rights and remedies available to meMortgage for a breach thereof. Underwriting of the Loan by meMortgage does not waive Broker's responsibility for the authenticity and accuracy of all information, documents and reports contained in the Application Package or Loan File. All parties to the Mortgage Note and the Mortgage Instrument and any other related agreement had legal capacity to enter into the Loan and to execute and deliver the Mortgage Note and the Mortgage Instrument and any other related agreement, and the Mortgage Note and the Mortgage Instrument have been duly and properly executed by such persons. By making the foregoing warranty Broker is warranting the accuracy of all information contained in any Loan package submitted to meMortgage, whether or not Broker has knowledge of or reason to suspect any inaccuracy, misrepresentation or fraud.

Appraisal

The appraisal process and the appraisal itself comply in all respects with the Guide's requirements relative to appraisals, appraisers and appraisal independence. Broker has no knowledge of any circumstances or conditions which might indicate that the appraisal is incomplete or inaccurate.

Anti-tying

Broker shall comply with all applicable anti-tying restrictions, including, but not limited to, the restrictions of the Bank Holding Company Act, Regulation Y, and the Housing and Economic Recovery Act.

Compliance with Requests for Missing or Additional Documentation

Broker shall comply with any request by meMortgage for missing, corrected or additional documentation related to a Loan. Broker shall promptly comply with any such request, regardless of whether the request was made prior to or after the closing of the related Loan, but, unless otherwise agreed to by meMortgage, Broker shall comply with any such request within ten (10) calendar days after receipt of a request from meMortgage. Broker shall be responsible for any penalty or re-pricing as a result of Broker's failure to comply with any such request within the time frame set forth above, regardless of whether the failure is directly attributable to Broker.

Loan Documentation

The Loan Documents include all documentation required under all applicable laws and regulations. All Loan Documents have been duly executed and delivered to the Mortgagor as required by applicable laws and regulations.

Electronic Signatures

The Uniform Electronic Transaction Act (UETA) and the Federal Electronic Signatures in Global and National Commerce Act (ESIGN) enable electronic transactions, including electronic signatures. Unless stated otherwise in the applicable Program Guide, meMortgage will permit the use of electronic signatures on most initial disclosures and documents required at loan submission provided the loan is in compliance with UETA and ESIGN established requirements, all applicable state and federal guidelines, all meMortgage requirements, and all investor requirements. For Non-Agency products, please refer to the applicable Program Guide for e-sign eligibility.

Loan Officers

Notwithstanding anything to the contrary contained in the Guide, Broker shall be liable for the acts and omissions of its officers, employees and agents, including, without limitation, its loan officers. Each loan officer was appropriately licensed and in good standing with the applicable regulatory body related to any loan submitted by Broker.

Existence of Other Conditions

Broker has no knowledge nor any reason to know of any of the following: (a) detrimental conditions which could reasonably be expected to adversely affect the market value of the Mortgaged Property including, but not limited to, expansive soils, underground mines or storage tanks, soil subsidence, landfills, superfund sites, special study zones or other similar conditions; (b) outstanding mechanics' liens or material mans' liens which are or may be a lien prior to, or of equal priority with, the lien of the security instrument (except those that are affirmatively insured against by the title insurance policy); or (c) outstanding oil, gas or other mineral interests now owned or controlled by the proposed Borrower which might jeopardize the security interest in the Mortgaged Property or in any manner diminish the value of the Mortgaged Property.

Quoting Loan Interest Rates; Loan Commitments; Delivery of Documents to Loan Applicant or Borrower

Prior to the approval of an Application Package by meMortgage, Broker shall not make any representations to the effect that meMortgage has approved or issued a commitment to fund the Loan and, during such time, Broker shall make clear that any current interest rates or fees quoted are for guidance purposes only and that the same shall not necessarily be the interest rates or fees that shall apply to the Loan if and when the same is approved by meMortgage, and that Broker is not authorized to approve an Application Package on meMortgage's behalf. Broker shall deliver to loan applicants any documents directed to be so delivered by meMortgage or otherwise required by the Guide or applicable laws or regulations.

Control of Documents; Disclosure and Validity of Information

No Borrower or other Interested Party to the transaction (as defined within the Guide and by the applicable Agency and Investor Guidelines) shall have had in his or her direct or indirect possession or control any credit, income or deposit verification document from a third party submitted to meMortgage with respect to any Loan. Broker has made and shall make prompt, timely, full, accurate and truthful disclosure to meMortgage of all facts, information and documentation that Broker may know, suspect, or have notice of, which could affect or has affected the validity, collectability, collateral value, security, or enforceability of any Application Package submitted by Broker for funding consideration by meMortgage. All information submitted by Broker to meMortgage with regard to the Application Packages, including all written attachments thereto, is true, correct, currently valid and genuine, and the dates appearing on each document presented to or signed by a Borrower accurately reflect the date of delivery or

execution, as applicable.

Certification of Compliance

When requested by meMortgage, or when otherwise reasonable, Broker shall determine whether any and all requirements imposed as a condition of funding a Loan have been fully performed or completed, and if it finds them fully performed or completed, Broker shall, upon request, certify that such matters have been fully performed or completed in accordance with the terms and conditions imposed. By such certification of compliance, Broker shall assume all responsibility to remedy any consequent deviation, deficiency, or deficit.

Delivery of Documents

Broker agrees to perform, at its sole cost and expense, all acts necessary to perfect title to the Loans in meMortgage, and shall deliver to meMortgage all Loan Documents, all subject to the approval of meMortgage and its legal counsel as to proper form and execution. All Loan Documents relating to the Loans and all other documents required to be delivered to meMortgage by Broker that are in the possession or control of Broker or any settlement agent and are not delivered to meMortgage, if any, are and shall be held in trust for the benefit of meMortgage. In the event any such original documents have not been delivered to meMortgage within a reasonable time following the Closing Date, Broker shall provide (at meMortgage's discretion) meMortgage with periodic reports detailing the location of each such document and the steps being taken by Broker to obtain possession thereof; provided, however, that in the event any such document has not been delivered to meMortgage within 90 days following the Closing Date, Broker shall, upon written demand of meMortgage, repurchase the related Loan, in the manner and fashion contemplated under this Guide for breach of representation or warranty. In the event any Loan Document is not promptly delivered to meMortgage, Broker shall pay meMortgage's costs in researching and acquiring such Loan Documents. However, if an Investor, recording office or municipality is solely responsible for a missing or trailing Loan Document, the Broker shall give satisfactory written evidence thereof to meMortgage together with a representation that the Broker is diligently trying to obtain such Loan Document from such entity.

Non-Arm's Length Transactions

The Broker represents and warrants that there is no relationship or business affiliation between the Broker and the Borrower or the builder, developer or seller of the property, unless such relationship or business affiliation is permitted by the applicable Agency, Investor and meMortgage, and further provided that such relationship or business affiliation has been fully disclosed in the Loan File. Furthermore, the Broker acknowledges that the prohibited relationships and business affiliations include, without limitation: (a) *Broker* includes Broker's owners, management and any employees involved in the applicable Loan or underlying real estate transaction; (b) *relationships* include, but are not limited to, a spouse, child, or other dependent, or any other individual who is related by blood, marriage, adoption or legal guardianship or a fiancé, fiancée or domestic partner (c) *business affiliation* includes, but is not limited to, entities that are subject to common ownership or operating control and that are operated as part of the same system or enterprise.

Adverse Selection

No selection procedures were used by the Broker that identified the Mortgage Loans as being less desirable or valuable than other comparable Mortgage Loans in the Broker's pipeline or portfolio.

Points and Fees

The total combined points and fees charged to the Borrower by meMortgage and the Broker must not exceed meMortgage, the applicable Agency, Investor, federal, state or local regulatory requirements, including the Qualified Mortgage Points and Fees limitations. Each conforming loan delivered to meMortgage shall be a "qualified mortgage" as defined in the guidance set forth by the Dodd-Frank Act promulgated by the Consumer Financial Protection Bureau ("CFPB").

Securities Law

meMortgage has made no representation whatsoever to Broker concerning the applicability or inapplicability of the Security Act of 1933, as amended (the "1933 Act") or of any state securities laws (each, a "State Act") to the transactions that are contemplated by this Agreement. Broker hereby represents and warrants:

- The offer, issuance, sale and delivery of Loans under the circumstances contemplated hereunder constitute exempted transactions under the registration provisions of the 1933 Act, and the registration of Loans under the 1933 Act is not required in connection with any such offer, issuance, sale or delivery of Loans; and
- The offer, issuance, sale and delivery of Loans under the circumstances contemplated hereunder constitute exempted transactions under applicable state acts, and neither the registration nor qualification of Loans under such state acts nor the authorization, approval, or consent of any governmental authority or agency is required or necessary in connection with any such offer, issuance, sale or delivery of Loans.

No Insolvency, etc.

Broker has not transferred any Loan to meMortgage with any intent to hinder, delay or defraud any of Broker's creditors. Broker is not insolvent and the sale of the Loans will not cause Broker to become insolvent. The consideration received by Broker upon the sale of the Loans under the Guide constitutes fair consideration and reasonably equivalent value for the Loans.

Compliance with Laws

Broker has complied with, and has not violated any law, ordinance, requirement, regulation, rule or order applicable to its business or properties, the violation of which might adversely affect the operations or financial conditions of Broker or the ability of Broker to consummate the transactions contemplated by the Guide.

Early Payoff

In the event any Loan funded by meMortgage hereunder is paid in full within 220 calendar days of the date such Loan was funded by meMortgage, the Broker shall, within 30 days after notice from meMortgage, pay meMortgage (a) an administrative fee plus the amount demanded by meMortgage, including all costs and expenses reasonably incurred by meMortgage, (b) the greater of (i) the equivalent of all monies received by Broker from Lender with regard to such loans as well as all monies that Broker received at the direction of borrower which borrower received from Lender in the form of credits or such fees as paid by Borrower to Broker as borrower-paid-compensation with regard to such loans or (ii) an amount equal to 100 basis points (1%) multiplied by the original Loan amount. No portion of any sums paid by Broker to Lender pursuant to the EPO may be charged back to the borrower by Broker.

Early Payment Default

In the event any of the first six (6) payments due to meMortgage or its assigns on any Loan becomes

thirty (30) calendar days or more delinquent, the Loan shall be considered an "Early Payment Default".

For purposes of this section, a Loan is considered delinquent if a payment is not received on or before its designated due date on the Mortgage Note. Indemnification

Broker agrees to indemnify and hold meMortgage and its officers, directors, employees, representatives or affiliates harmless against any and all claims, losses, expenses, costs, obligations and liabilities, including reasonable attorney's fees and expenses, which result or arise from the breach of any representation or warranty of Broker, or default in the performance of any covenant of Broker, contained in this Agreement or the Guide. In connection with the indemnification of a

Loan, Broker agrees to (1) pay meMortgage a fee for administrative expenses to be determined by meMortgage and (2) to return any lender paid compensation received by Broker in connection with such Loan. Without limiting the foregoing, Broker agrees to indemnify and hold meMortgage and its officers, directors, employees, representatives or affiliates harmless against any and all claims, losses, expenses, costs, obligations and liabilities, including reasonable attorney's fees and expenses, resulting from:

With respect to claims for indemnity hereunder related to claims by third parties, promptly after receipt by meMortgage of notice of the commencement of any action, meMortgage will, if a claim in respect thereof is to be made against Broker hereunder, notify Broker of the commencement thereof, but the omission to so notify Broker will not relieve Broker from any liability that Broker may have to meMortgage except to the extent that Broker has been materially prejudiced by such failure.

In case any such action is brought against meMortgage, and it notifies Broker of the commencement thereof, Broker will be entitled to participate therein, and, to the extent that Broker may wish, to assume (at its own expense) the defense thereof, with counsel satisfactory to meMortgage (which counsel may be counsel to Broker). If Broker assumes the defense of any proceeding, it shall be entitled to settle such proceeding with the consent of meMortgage, which will not be

unreasonably withheld or delayed, if such settlement provides for release of meMortgage in connection with all matters relating to the proceeding which have been asserted against meMortgage in such proceeding by the other parties to such settlement.

The Below Shall Apply To Non-Agency (Non-QM) Loans:

If a Loan is a Purchase Remedy Mortgage Loan, then Company shall provide notice to Broker that Broker must repurchase such Loan, and Broker will purchase such Loan from Company. In such event, the purchase price that Broker will pay to Company will be the sum of (i) the unpaid principal owed on the Loan, plus (ii) accrued interest owing on the Loan, plus (iii) all lender paid compensation, if any, paid to Broker by Company with regard to the Loan as well as all monies that Broker received at the direction of borrower which borrower received from Lender in the form of credits or such fees as paid by Borrower to Broker as borrower-paid-compensation with regard to such loans, plus (iv) a repurchase fee plus (v) Company's costs for collecting and securing the Loan including foreclosure costs, attorney fees, property preservation fees and advances for real estate taxes, insurance and other property expenses, plus (vi) any penalties or other amounts other than those listed above paid to third parties with respect to the repurchase.

and whether or not said obligations and liabilities shall have matured. For purposes of the right of offset, the determination as to whether Broker has any obligations and liabilities under the Guide or any other agreement between Broker and meMortgage and the extent of such obligations and liabilities shall be made by meMortgage in its sole and reasonable discretion. Unless otherwise agreed by the parties specifically in writing, such offset shall not be construed as an accord and satisfaction of any obligation due from Broker to meMortgage.

Waiver

The failure or delay of meMortgage to review any Loan prior to closing and funding, or to exercise any right or remedy available under the Guide or at law or equity, shall not act as a waiver of any other right or remedy, nor shall any single or partial exercise of any right preclude any other or further exercise thereof. No waiver by meMortgage of any of the provisions of the Agreement shall be deemed, or shall constitute, a waiver by meMortgage of any other provisions, whether or not similar, nor shall any such waiver constitute a continuing waiver. All remedies shall be cumulative and nonexclusive.

Equal Opportunity

The Broker represents that they are equal opportunity employers and do not discriminate in employment of persons or awarding of subcontracts because of a person's race, sex, age, religion, national origin, veteran or handicap status. Financial and Other Information

Broker agrees to give immediate written notice to meMortgage of any imminent or prospective merger or acquisition or other similar event or change in control of the Broker or of any circumstances which may lead to or result in a material adverse effect upon the business or financial condition of Broker or the Loans, or of any of the circumstances outlined in the Guide which trigger indemnification or repurchase by the Broker. Broker also agrees to give immediate written notice to meMortgage of any changes in the name or address under or from which it conducts business. Broker shall conduct, and shall allow meMortgage to conduct quality control reviews as specified in the Guide and required by the applicable Agency or Investor.

Broker acknowledges that from time to time Broker shall furnish to meMortgage information as meMortgage shall reasonably request, including confirmation of the continuing compliance by Broker and its owners, officers, partners, agents or employees with all applicable state and local licensing, registration, qualification and certification requirements, together with any other information reasonably requested by meMortgage to confirm that Broker remains solvent. Broker authorizes meMortgage to report any instances of Broker submitting a material misrepresentation, making a false statement or engaging in fraudulent activity in connection with any Loan submitted by Broker, its agents, authorized representatives, employees, independent contractors, or licensees. The parties agree that any such reproduction shall be admissible in evidence as the original itself in any judicial or administrative proceeding, whether or not the original is in existence and whether or not such reproduction was made in the regular course of business and that any enlargement, facsimile or further reproduction of such reproduction shall likewise be admissible in evidence.

Further Assurances

The Broker shall, from time to time hereafter, upon request of meMortgage and without further consideration, do, execute, acknowledge, and deliver or cause to be done, executed, acknowledged, and delivered, all such further acts, deeds, documents, instruments, transfers and assurances as meMortgage may reasonably request to confirm and perfect meMortgage's right, title, and interest in and to, and possession of, the Loans and the Loan Files or to determine the continuing eligibility of Broker to register Loan Files with meMortgage. In the event Broker fails to deliver timely to meMortgage documents necessary for meMortgage to have custody of complete Loan Files, or if meMortgage otherwise deems itself insecure with the prospect of obtaining such follow-up documents (e.g., assignments, registered deeds) timely from Broker, meMortgage has the right hereunder to present itself during business hours upon reasonable notice, at the offices of Broker and retrieve into meMortgage's custody such documents.

No Solicitation

For 180 days after the funding of any Loan by meMortgage, Broker shall not solicit, or take or cause to be taken any refinance loan application on the same property from the Borrower(s) to whom such Loan was made. If Broker does fund, or arrange for any third party to fund, or meMortgage otherwise funds any such Loan, Broker hereby agrees to reimburse meMortgage for an amount equal to all expenses, whether out-of-pocket or internal, that meMortgage incurred in the origination of the Loan, including, but not limited to, any premium or other compensation paid by meMortgage to Broker.

Change in Broker's Organization

Whether notification was sent or not, if meMortgage determines that any of these Adverse Events will have a material impact on a Loan committed but not funded, meMortgage reserves the right to either cancel its commitment to fund the Loan or require additional assurance from the Broker/surviving entity that the obligations of the Guide will be fulfilled.

Relationship of Parties

meMortgage and Broker acknowledge and agree that at all times they are operating as independent parties. This Agreement is for the sole and exclusive benefit and obligation of the parties hereto and nothing contained herein shall be construed to give any party, other than meMortgage and Broker, any legal or equitable right, remedy or claim under or in connection with any provision of this Guide and the Agreement. Nothing contained herein shall constitute a partnership, joint venture or agency relationship between meMortgage and Broker and neither party shall at any time hold itself out to any third party to be an agent or employee of the other.

Such suspension shall be effective immediately upon Broker's receipt of written notice of same from meMortgage and shall last until meMortgage, in its sole discretion, determines to reactivate or terminate the Agreement.
